9) The language of the deed is in order
From the recital in the document it is clear that the building was used by the general travelling public but, I think it does not mean that there was a formal dedication of the property to the public so as to - divest the family of rights in it It might rather be construed to mean that the travellers used to stay there by implied leave and license of its owners

I have no further remarks to make

I have the honour to state that one Mr Veerappa of Gangadharapura village agreed to donate his Chattram building situated in S No 116 of Rajapur village for the establishment of a Hostel as attached to the Municipal High School at Dodballapur and this idea developed on the Tour instructions of the Dewan The building is situated near the High School and the owners were agreeable to give away the same as a gift to the Municipality for running the Hostel Necessary encumbrance certificate was obtained from the Sub Registry Office and it is seen that the building is free from encumbrance

2 The gift deed which was got scrutinised by the Government Pleader has been executed by the owners Messrs Veerappa Malliah and Mrs Veeramma in favour of the Municipality It has been duly registered and the gift deed is enclosed for favour of perusal

3 The necessity for a Hostel attached to the High School was a long felt want The above chattram building can be conveniently utilised for Hostel with some Minor repairs and alterations The initial expenses for the establishment of a Hostel is estimated at Rs 700/- as detailed in the margin The recurring expenses per month will be about Rs 110/- on the basis of having 10 boarders in the beginning The Municipal Council have resolved at their meeting held on 3-3-42 that both the recurring and

1 Repairs and alterations to the existing building as per estimate enclosed	Rs 400/
2 Vessels and utensils required for daily use in the Hostel	250/-
3 Printing of registers etc	50/-
Total	700/

initial expenses may be kindly ordered to be met in equal shares by Government District Board and the Municipality This proposal cannot be accepted The Hostel ought to be self supporting There is no meaning in asking Government and the District Board to share the recurring expenses Instructions have accordingly been issued to the Municipality In the beginning if necessary suitable advance may be made by the Municipality towards the expenditure subject to recoupment from the fees levied from the boarders afterwards

4 As regards the initial expenses required viz Rs 700/- it may kindly be ordered to be met by Government District Board and the Municipality in equal shares in view of the slender resources of the Municipality Pending further orders instructions have been issued to the Amildar President of the Municipality to take possession of the chattram building and commence its improvement and repairs for the early opening of the Hostel

5 I request that in the above circumstances orders of Government accepting the gift of the Chattram building by Mr Veerappa and others may be kindly obtained Orders of Government as regards the meeting of the initial expenses as noted in para 4 supra may also be kindly obtained and communicated early
